MOVIE CLUB!

Movies & popcorn anyone?! Come watch new movies in-person with your friends! We created a movie club a couple months back and it has been such a great time. If you love movies as much as us, and didn't sign up the first time, it's not too late to join in on the fun and become part of the club. We aim to see two movies a month, but depending on releases, we may only see one.

Cost: Each movie will be \$15. Each person can buy a "pass" for up to 4 movies at a time.

Days/Times: Tuesdays, we will aim for showtimes around 6pm.

Location: Either Century Arden or Country Club Cinemas.

How it works:

- Each month, the Movie Club will be going to at least 1 movie, maybe 2, depending on scheduling. The movies will always be on Tuesday nights.
- Each person that is interested in joining the club must register to be placed on the information list. When you register, you choose how many movie "passes" you would like, up to 4.
- Movie information will be sent out to the Club members the Thursday before each Tuesday night movie.
- If any Club members are interested, they will have 24-hours to RSVP to secure their spot.
- No-Shows will not receive a credit after they have RSVP'd.

Board of Supervisors

Phil Serna, District 1
 Patrick Kennedy, District 2
 Rich Desmond, District 3
 Sue Frost, District 4
 Don Nottoli, District 5
 Ann Edwards, County Executive

Financial Aid Opportunity:

Pathways to Recreation, Inc. is offering financial aid to qualified individuals. If you are interested in financial support, please write "SCH" on the program line of the registration form, and a Scholarship application requesting more information will be sent to you.

The club will run through at least Spring, and possibly longer depending on schedules. We will be seeing a variety of movie genres. Joining the club does not mean you have to go to every movie; It just gets you on the information list.
