Sacramento County Connect 311 Reports:

This section will now only include citizen's reports that require a Ranger response. The platform changed at the end of last year allowing us to send garbage and maintenance related issues directly to our maintenance team without having to go through the ranger division first. Our goal is to make our operations more efficient. The following is a breakdown of the 48 Ranger division reports received in March 2018:

- Illegal camping-----46
- Camp fire-----1
- Garbage-----1
